

Assembly Instructions

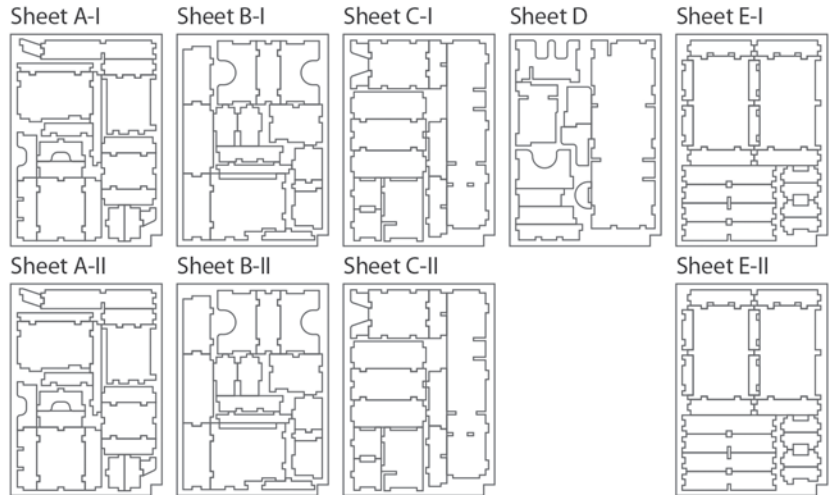

The package contains 9 sheets.

After assembly the trays are put in layers in the original game box.

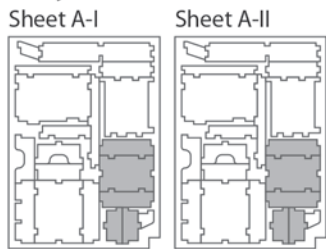

Ordinary PVA glue is required when assembling each tray, for extra strength.

Please make sure you dry-assemble each tray correctly before gluing it together.

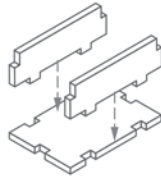

Please check www.foldedspace.net for general assembly tips.

Mid Layer

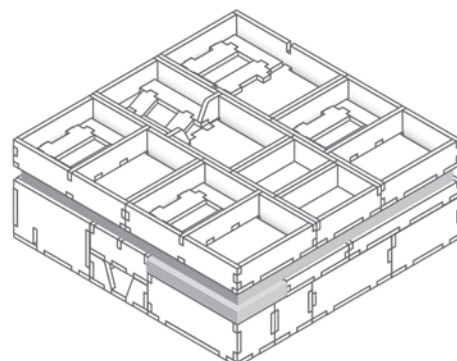

Note: While this insert does provide for vertical storage, the game contains many miniatures with protruding weapons that are liable to bend. We recommend for this reason to store the game horizontally.

Please check www.foldedspace.net for photos of this insert in use.
